1 Introduction

An introduction to The School System for Student-Centered Learning

1.1 The importance of school

Here we talk about why school is important

1.2 What is wrong with the current school system?

Here we address the general problems with the current school systems

2   The School System for Student-Centered Learning

Here we explain what we are going to talk about in this section

2.1   Our main goal

Here we explain the main goal of The School System for Student-Centered Learning

2.2   How are we going to achieve this goal?

Here we talk about how we are going to achieve our main goal

3   Rules

Here we explain why we did not like the current rules of the current school system.

3.1   Rules

1. Example rule 1

2. Example rule 2

3. Example rule 3

3.2   Reasons

Here we explain each rule

4 Subjects

Here we explain what we are going to talk about in this section

4.1 Mandatory subjects 4-10

Here we list out all the mandatory subjects for kids aged 4-10 years old

4.2 Extra subjects 4-10

Here we list out all the extra subjects for kids aged 4-10 years old

4.3 Mandatory subjects 11-18

Here we list out all the mandatory subjects for kids aged 11-18 years old

4.4 Extra subjects 11-18

Here we list out all the extra subjects for kids aged 11-18 years old

4.5 Reasoning age 4-10

Here we explain why we choose for the mandatory and extra subjects for kids aged 4-10.

4.6 Reasoning age 11-18

Here we explain why we choose for the mandatory and extra subjects for kids aged 11-18.

5   Country Specific

Here we explain why we have country specific and how we are going to implement it into our school system.

5.1   Belgium

Here we talk about country specific things for Belgium.

5.1.1   Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in Belgium.

5.1.1.1   History

Here we talk about specific history for Belgium.

5.2   France

Here we talk about country specific things for France.

5.2.1   Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in France.

5.2.1.1   History

Here we talk about specific history for France.

5.3   Germany

Here we talk about country specific things for Germany.

5.3.1   Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in Germany.

5.3.1.1   History

Here we talk about specific history for Germany

5.4   The Netherlands

Here we talk about country specific things for the Netherlands.

5.4.1   Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in the Netherlands.

5.4.1.1 History

Here we talk about specific history for the Netherlands.

5.5 Spain

5.5.1 Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in Spain.

5.5.1.1 History

Here we talk about specific history for Spain

5.6 United States of America

Here we talk about country specific things for United States of America.

5.6.1 Subjects

Here we list all the subjects that are not in the Subjects chapter, but we do want to have in United States of America.

5.6.1.1 History

Here we talk about specific history for United States of America

6   School times

Here we explain from what time to what time kids will go to school

7   Credits

7.1   Original idea

Kevin Giesberts

7.2   Introduction

Everybody who helped write the introduction.

7.3   Rules

Everybody who helped develop the rules.

7.4   Grammar

Everybody who helped checking grammar.

7.5   Other helpers

Stephen van Erkelens
Prestigious_Note1475
Dustractor

8   Sources

All sources used to develop the school system.

8.1   Introduction

All sources used to write the introduction

8.2   Rules

All sources used to write the rules
